

5050 Kansas Ave. Kansas City, KS 66106 816-765-1444

Instructions – PA System

This is a generic instruction page because we have so many different components. Our delivery drivers will set up the pa system & show you how to use.

WIRED or WIRELESS

- Unit comes with one (1) handheld microphone, 1 amplifier, and a speakers, We do have some all-in-one units available.
- The unit will handle crowds up to 250-300 people.
- Extra microphones are available for an additional charge.
- This unit can accommodate an additional speaker.

IMPORTANT NOTE: The PA system is designed for indoor use. The unit can be used outdoors provided a maximum caution is used to protect the equipment from exposure to water or inclement weather conditions. Please provide proper electrical grounding to avoid possible electrical shock or injury.
